# JIRL IN THE FAMILY"

selves out of the wreck of the family fortunes.

John was silent for a minute while the car slid along under the shining trolley wires. "Well, you could have walked out with him that first night when he asked you to," he said at last. "You should have, as a matter of fact, when they were virtually kicking him out. You could have married him the night when he wanted you to—that is, taking it for granted that you really do mean to marry him sooner or later. You know, Susan, when a

movements were just as awkward Cullens'. The girls might be having | Congress, 1953, by King Features Syndicate, loss

On Monday night John left to go back to Omaha. Susan went with him to the station and, on their way downtown in the Fifth Street trol. ley car, he asked Susan what her plans for the future were.

"Why don't you come out to me and Connie when the girls;" and Susan never knew whether he did it with humor or simply because his father and Unle Worthy had always called them girls.

"No. I may go over to the Cullens' and get something to do-ably will do, John. I haven't thought much about myself for the last few days—everything's been so topsytury," she answered. "I've been half expecting to hear from Allen, but evidently he's still furious with me."

She had told John the whole Allens therefore the rooty from the moment when Uncle Worthy ordered him out of the house until the night when she had refused to marry him. "I know just how he feels," she said now. "As if I've double-crossed him. But what to the wars long and I have done that I didn't do?"

John was silent for a minute when whele while the car slid along under the while the car slid along under the whole was hear from Allen, but was selven to the the whole and the nearest hat were beginning to but he tears that were beginning to blur her eyes. It was very say for her to cry these days. Something about the way John's much about myself for the last few days—everything's been so topsytury," she answered. "I've been half expecting to hear from Allen, but evidently he's still furious with was asking her now. "Why, they make their own plans for a grand for the word was asking her now. "Why, they make their own plans for a grand get way to some warm spot where half expecting to hear from Allen, but evidently he's still furious with the c."

She had told John the whole Allen but evidently he's still furious with house until the night when she had refused to marry him. "I know just how he feels," she said now. "As if I've double-crossed him. But what to the wreck of the family the word was certainly not pursuing her evidence had been for themselves out of the wreck

is, taking it for granted that you really do mean to marry him sooner or later. You know, Susan, when a fellow asks a girl to marry him he's offering just about everything that he has or is. He feels that she ought to take him or leave him. Instead of that, you kept putting him off, staying there with people who'd treated him like the dirt under their feet, seeing old Wallic right along.

I can see just how he feels. I'd never come back, either, if I were in his place."

Susan seized his hand. You let them walk all over you with hobnailed shoes—twice on the soft of places."

At the station, just as his train watched and the first watched him from the darkness of the old parlor. Through the dining room where Allen had held her in his arms the night Lutie found them together.

The house was no longer the place of enchantment that it had been during the weeks when Allen had lived in it. It was once more what money from time to time. You're had money from time to time. You're had money from time to time. You're had lived in it. It was once more what all over you with had always been, as far back as Sujust had the spunk to do it. You're talkeed around for years about a business course, but you heave had the crust to stand up to the family and and tell them that you were going to take one. You've had money from time to time. You were doing the weeks when Allen had lived in it. It was once more what all of the old parlor. Through the dining the did nor in his arms the night had them together.

The house was no longer the you've had money from time to time. Yo

don't think he's ever coming back to me?" ane asked, the words coming out on a gasping breath.

John's eyebrows and his shoulders went up as he shrugged. "It would take a lot of nerve after the things you've handed to him."

"I couldn't have done anything but what I have done." Susan declared. "After all, we do owe something to Aunt Edna and Lutie."

Summething to Aunt Edna and Lutie. "You know we'll be crazy to have you—" And then he something to Aunt Edna and Lutie."

At the station, just as his train green and bringing a large coffee cake of her own making for the family.

Lutie and Aunt Edna were sitting at the dining room table, counting the first silver, when she knocked on the kitchen door, and Susan sat at the other end wrapping the pieces of Grandmother Broderick's Crown Derby tea set in tissue paper.

mething to Aunt Edna and Lutie.

New brought us up."

Susan stood on the windswept John's eyebrows knotted and a platform until the train was just a citched. "As a matter of fact, they ded in the same house with us and at's about all—as I've often anted out to you," he said. "They stopped for two or three minutes of Grandmother Broderick's Crown Derby toa set in tissue paper. Everything in the house except the clothing, the family pictures and them he derything in the house except the red pinpoint in the darkness. A terminate with us and then he derything in the house except the clothing, the family pictures and them he derything in the house except the red pinpoint in the darkness. # Horner, Dieterich Make Plea For New Deal Here; Lucas Addresses Voters

Governor Henry Horner and U. S. Senator William H Dieterich tossed aside official togas, rolled up their sleeves and pitched into the twentieth district political campaign here yesterday afternoon with vim and vigor that put wide smiles on faces of the Democratic candidates and repeatedly sent the audience into cheers.

Making no apologies for jumping into the heat of the abanquet served by the local Mother's scrap, the Governor and Senator declared that for the good Circle, Master Councilor Francis Anof the country the New Deal must be continued, and that can- |gel discussed the plans of the local didates who march in sympathy with the national and state chapter for the ensuing term. administrations must be elected. These, both Horner and Dieterich asserted, are the Democratic candidates.
